## Professional Summary

Result-oriented Computer Science graduate and Full Stack Developer specializing in .NET and React. Proven ability to build secure RESTful APIs and optimize SQL Server databases. Experienced in delivering user-centric web solutions through hands-on internship and complex academic projects like **'VenueHub'**. Passionate about clean code and continuous learning.

## Work Experience

Backend Developer Intern — Kafana Tech **(OCT 2025 – JANUARY 2026)**

- Engineered and maintained scalable RESTful APIs using .NET Core and Entity Framework to support various system modules.
- Optimized backend logic and database queries, improving data retrieval efficiency and system response time.
- Assisted in debugging and unit testing backend APIs, and worked closely with frontend developers to ensure proper API usage and integration.

## EDUCATION

---

**Al-Zaytoonah University of Jordan, Amman, Jordan**                    **2021-2025**

B.A in Computer Science     | GPA rank: Very Good

## Graduation Project: "VenueHub" — Online Hall Booking Application

- Built a full-stack booking platform with a multi-role authentication system (User, Hall Provider, Admin).
- Developed responsive and interactive frontend interfaces using React, ensuring a high-quality user experience across all devices.
- Implemented secure backend services and business logic with ASP.NET Core, utilizing Entity Framework for data persistence.
- Designed and optimized a SQL Server database schema to manage complex booking schedules and real-time availability.
- Leveraged version control (Git/GitHub) for team collaboration and utilized Figma for UI/UX prototyping.

## Skills

- **Technical Skills:**

    A. **Programming Languages: C#, JavaScript (ES6+), SQL, Dart.**
    B. **Web Technologies: .NET Core, ASP.NET Web API, React.js, HTML5, CSS3.**
    C. **Databases & Tools: MS SQL Server,Pos, Entity Framework, Git/GitHub, Postman.**
    D. **Design & Planning: Figma, Canva, System Design (ERD, Wireframing)..**

- **Soft Skills:**

    A. **Strong teamwork and clear communication skills.**
    B. **Ability to analyze problems and think logically to find solutions.**
    C. **Fast learner and able to adapt to new technologies quickly.**
    D. **Good at organizing tasks and managing my time effectively.**

## Courses

- **Soft Skills Training — Get into Tariqi — (2025)**
- **Full Stack Web Development - HTUX Academy - Completed in (2024)**
- **Flutter App Development - The Hope Center - Completed in (2024)**
- **Quality Assurance for Mobile Applications and Website Sector – Get into Tariqi in (2025)**
